A GREAT SOUND MAKES NO NOISE®

CROSSWAYS-ONE™ SOUND MASKING SYSTEM

Data Terminator Specifications – Model #GP21gsa

GSA Advantage!®

CrosswaysOne™ Terminator, Model #GP21gsa is required only with the system's page/music option. One terminator is used for each project requiring page or music hook up.

The CrosswaysOne™ Terminator is constructed of brushed aluminum and houses a PC board. Attached to the terminator is an integrated 7" Cat 5e plenum rated, UL listed, 4 twisted pair cable with a RJ45 connector. The terminator's RJ45 connector is plugged into the last Platform's (model #GP1gsa) OUT data port and is used to end the data signal. The terminator is secured to the Platform's chain. The Terminator is UL listed for use in air-handling spaces.
